Employee Uniforms

/s/

Approved: L. Cristina Griffith
Assistant Director, Human Resource Management Division

Title 5 of the United States Code, Section 5901, authorizes agencies to issue a uniform allowance to those employees who are required by the agency to wear a prescribed uniform. The Office of Personnel Management (OPM) is responsible for issuing regulations pursuant to this authority. The BOP currently limits the allowance for each prescribed uniform to no less than \$800 per year, per uniformed employee. OPM may from time to time adjust the maximum allowance by regulation. The allowance for each prescribed uniform must be negotiated with the Union, up to the maximum allowed by law or regulation. Any agreed-upon exceptions or changes in clothing allowance amount will be provided to institutions through Operations Memoranda.

The content of this Operations Memorandum will supersede Section 19 of Program Statement 3300.03, **Employment**, dated May 8, 2017. The union and the agency agree this Operations Memorandum will remain in effect until a formal policy is completed.

1. DEVELOPMENT, MANAGEMENT, AND CONTROL OF UNIFORM REQUIREMENTS

The Director retains authority for prescribing a uniform requirement, authorizing a uniform allowance, and specifying uniform items. A Bureau of Prisons Staff Uniform Committee will convene as directed by the Committee Chairperson to review proposals and formulate recommendations to the Director.

Each Warden is delegated the authority, consistent with this policy and the Program Statement **Property Management Manual**, to prescribe protective clothing. Local procedures will be developed in accordance with the Master Agreement.

If supported, the Executive Team (ET) member will coordinate the request with the Uniform Committee Chairperson who will communicate the request to the ET and request concurrence. If a majority concurrence is obtained the change will be forwarded to the Director for final decision. If requested by the Council of Prison Locals, committee recommendations approved by the Director will be subject to bargaining on impact and implementation.
